Franklin, TN 37069

RE: Docket # 99-00509 – Petition for a Certificate of Public Convenience and Necessity

Dear Mr. Green:

In the above docket, your company was granted a Certificate of Public Convenience and Necessity to provide wastewater service to customers within the proposed service area. This approval was granted on May 17, 2000. As of yet, we have not received any indication that your company has begun to provide wastewater service.

If you have begun to provide service during 2001, then you will have to submit a 2001 annual report by April 1, 2002. If you need a copy of the report format, you may contact us and we will send you one. If you have not begun establishing service for the territory granted to you, please send a written response indicating when service is expected to begin. This office should receive your response no later than March 14, 2002.

Thank you for your attention to this matter. If you should have any questions, you may contact Butch Phillips at (615) 741-2904, ext. 183.

Sincerely,

David Waddell
Executive Secretary
Tennessee Regulatory Authority
